

LEROY IN FLIGHT

When Uncle Leroy was a boy = well about 16 years old. Him and His cousin Charlie was discussing their paws. Now charlie was a bragging about his dad and all that his paw had done.....Well Now Ole Uncle Leroy was never gonna be out done so Leroy says "My old man was the first man who ever flew 5,000 feet with a stick in his hand" They walked along fer a spell and finally Charlie couldn't stand the suspense so he asked about that flight "Now Leroy I never knew anything about yore paw a flying" Leroy says " O yes - When the pool room blowed up about four years ago!"

Uncle Leroy spent some time in the army - he was in the kitchen most of that time - He peeled taters and washed loads of dishes - Well one day this Captain stopped ole Leroy who was a carrying a soup kettle out of the kitchen. This Captain says "Hey you give me a taste of that" Well Leroy handed him a spoon and the captain - he dips out a big spoon full - puts it in his mouth and spits it right out and he says to Leroy "Good Grief man, do you call that soup?" Leroy responds "No sir, we calls it dirty dish water SIR!"

Uncle Leroy's wife carried him down to the local Hospital Emergency room... Walked in - Signed in and sat down. They called Ole Leroy back in about ten minutes and the attending doctor says " Leroy what is your problem?" Leroy said " Wel doc I believe I broke my arm!" Doctor: "How did you do that Leroy?" Leroy: "Fell out of a tree while I was a Possom hunting" Doctor: "O - How far did you fall?" Leroy looked at that doctor with a puzzled look and said "Well I fell all the way to the ground!"

Uncle Leroy and his wife had always heated with wood But they decided to go up to the gas company and see about getting them some gas heaters.. Well the gas man was explaining to Leroy about heating and about BTU's {British Thermal Units} {this is the method of measuring the heating capability of heaters and fuel} Well now Leroy just couldn't understand all that up town language.. So Ole Uncle Leroy thought fer a minute and he says.... " I don't know much about this But I need Me a Heater with enough of them there BTU'S to heat A BUT the size of A TUB>>>>"

When Uncle Leroy was in the 2nd grade at school-
The teacher was trying to get across the benefits of
the automative age { Leroy was in the 2nd grade in 1930 }
The teacher asked Ole Leroy to name a benefit of the
automative age..... Well Leroy pondered that fer about a
whole minute and then he says "Well it cut down on the
horse stealing"

Leroy had this problem with drinking {he was a sot drunk}
And his wife was a gettin tired of it So she rented her a
Devil Suit and put it on - hid behind the door to the bath
room one night. When Ole Uncle Leroy comes a staggerin
in about 3:30 in the morning - and he was some more
drunk.

Well she waited till he got jest about to the bath room
door and she jumped out - Yelled "I'm The Devil!!" Well
Ole Uncle Leroy looked at her and staggered toward her
with his hand stretched out and Says... "Pleased --Uh
Pleased to meet you - I Married yer sister."

body cause Leroy jest wern't much fer workin} Well He
worked down there fer six months. When he was gittin
ready to come back to Georgia - He goes down to this
Pet Store and Says " I want to but me a million roach
bugs." Well the store man didn't know what to say - But
finally he gets out "Sorry sir we don't sell roach bugs -
and could I ask you - What in the world do you want with
a million roach bugs?" Leroy Responded "So's I can git
my \$450 Deposit back on this here apartment that I
rented"

Pet Store Man says " I don't understand what you mean!"
Leroy said "Well I got to have them million roach bugs to
git my deposit back" - Pulls out the lease paper on the
apartment and shows it to the man and says -"See right
there it says to git the deposit back I got to leave the
Apartment exactly like I found it."

Uncle Leroy got this job down in Florida {surprised every
