OUTREACH MINISTRY MANUAL

INTRODUCTION AND TABLE OF CONTENTS

Outreach Ministry is about turning the spotlight on Jesus.

As His ambassadors we work in cooperation with God by showcasing Him through our words. We can use a variety of means but the objective should always remain the same……..to help others see Him better, not us.

John the Baptist prepared the way for Jesus. His words in John 3:30 should be our intent as well when we develop outreach programs, witness one on one, or simply walk the walk. The Association has several outreach programs available! One excellent program is C A R E and can be downloaded from the resources found here.

Jesus must increase, but we must decrease.
